**GENERAL:**

All sessions will begin and/or be held at the Wexner Center for the Arts at OSU. Please describe your plans for consistent transportation to the Wex weekly for 10 weeks. Is this a challenge for you? Please describe.

If you are selected to participate in this program, your parent/adult guardian will need to:

- Sign both a media and emergency medical attention release providing legal permission for you to appear in photos, video, podcasts, etc. and legal permission for us to call 911 in case of an emergency on your behalf.
- Sign an agreement taking full responsibility for your laptop loan for this program which means if you lose or damage your OSU laptop; your family will need to pay for its replacement immediately.
- Approve of you taking public transportation and/or carpooling and/or riding on a charter bus with fellow students and mentors.

Do you or your parents/adult guardians see any of this being an issue? If so, please describe.

Please describe any barriers you potentially could experience to consistently attending all 10 sessions beginning the week of September 18 and ending the week of November 20, 2017 (see schedule below):

Will you be available to interview the week of August 28<sup>th</sup>, 2017?

Please describe any food allergies, medical conditions or accessibility accommodation that you feel we should know about:

There will be “homework” that may include reading and research. Will you have time for this in addition to the three-hour session each week?

What has been your previous experience at the Wexner Center for the Arts and how did you hear about this opportunity?
