

In order to expedite your entry into *Transfigurations*, please take a moment to review the check-in procedure outlined below.

Bag Inspection

All bags will be inspected before being checked or allowed into the galleries. Backpacks, regardless of size, are not permitted. All bags, including purses and diaper bags, must be smaller than 14 inches by 14 inches by 4 inches to be allowed into the galleries. Oversized bags and backpacks may be checked after inspection in our staffed coat check or self-serve lockers. Both options are available at no charge.

Cameras, Cell Phones, iPads, Mobile Devices

Photography of any kind is not permitted in the galleries due to artist rights agreements. Cell phone, iPad, and mobile device usage will not be allowed in the galleries.

Strollers

Patrons may use small strollers inside the galleries. However, for the safety of both visitors and the artwork on display, double and oversized strollers will not be permitted. Patrons may borrow a stroller during their visit on a first-come, first-served basis. Diaper bags containing food and drink will be required to be checked.

Wheelchairs

There are no size restrictions on wheelchairs. A limited number of wheelchairs are available to visitors on a first-come, first-served basis at coat check. Patrons may also reserve a wheelchair in advance of their visit.

Writing and Drawing Implements

Pens are not permitted in the galleries. Patrons interested in taking notes may use a pencil. Sketching in the galleries is discouraged but sketchbooks smaller than 12 inches by 18 inches will be permitted, so long as patron circulation is not inhibited by those using sketchpads.

Food, Drink, Gum

Strict enforcement of the current prohibition of food, drink, and gum inside our galleries will continue.
