DRIVE SLOW!
WEAR A MASK!

Whenever you are outside of your vehicle and keep a friendly distance. please be considerate of your neighbors!

HAVE FUN!

You will see parking helpers directing your vehicle to a Spot facing Screen #2

Vehicles will be parked based on height with taller vehicles going behind shorter ones.

PLEASE

DO:

- Wear your mask whenever you are outside of your car.
- Keep pets on a leash. Always!
- Place all chairs directly in front of your vehicle, facing the screen to maintain proper distance from your neighbors.
- Support the Concession stand! This small family business stocks a lot of variety and has you covered if there is anything you forgot.
- Clean up after yourselves and your pet ♡

So happy to see you again!

PLEASE KNOW:

- a trip to the concession stand is a bit of fun and near the bathrooms. Look for the pale blue buildings and signage.
- You may leave the Drive-In at ANY time by using your parking lights, driving very slowly and following the exit signs. It's OK to turn on your headlights when you get past the gate/fence and there are signs to remind you.
